MD1050

Product Category:
Home Health

Contents:
1 x 20ml Tube

Warning:
For external use only. Avoid contact with the mouth, eyes, open wounds, and mucous membranes. Keep out of the reach of children. Do not use if you are allergic to any of the ingredients. If symptoms persist or worsen, consult a doctor. Contains limonene.

INGREDIENTS (INCI):
Aqua, Aloe Barbadensis Leaf Juice, Ethylhexyl Stearate, Glycerin, Laureth-9, Sodium Polyacrylate, Phenoxyethanol, Menthol, Melaleuca Alternifolia Leaf Oil, Eucalyptus Globulus Leaf Oil, Pentylene Glycol, Butylene Glycol, Sodium Stearoyl Glutamate, Ethylhexylglycerin, Tocopherol, Helianthus Annuus Seed Oil, Limonene, Hydroxyphenyl Propamidobenzoic Acid.

Medicare Insect Bite & Sting Gel calms the skin after a bite or sting from an insect, such as a mosquito, wasp, or horsefly and provides instant itch relief for skin irritation.

It can also be used for soothing the skin after a jellyfish sting or if you have been in contact with nettles. The specially formulated blend of soothing ingredients acts fast when you need it most.

Soothing Aloe Vera and the breakthrough ingredient, Eucalyptus Globules Essential Oil, work together to soothe the skin, reduce irritation and fight the painful stinging and itching caused by an insect bite or sting.

FEATURES:

- Gently soothes and calms skin from the discomfort, itching and swelling of insect bites and stings
- Temporarily protects and helps ease minor skin irritation and itching caused by insect bites and stings

DIRECTIONS:

1. Apply directly to bite or sting and run gently.
2. If itching persists, re-apply as necessary.
3. For a bee sting, remove stinger before treatment.

CONTRAINDICATIONS AND PRECAUTIONS:

Can be used by Adults and Children >2 years. Children under 2 years must consult a doctor.
