Founded over 35 years ago with over 3,500 customers worldwide.

Headquartered in Limerick, Ireland, with over 90 employees worldwide.

Committed to continuous innovation, quality and reliability.

Working with Fleming Medical

Your Trusted Partner

Delivering market leading healthcare brands in Medical Equipment, Diagnostics, First Aid, Surgery and Advanced Woundcare has been our focus for over 35 years.

Fleming Medical has grown to be a trusted partner to healthcare, community health and medical professionals and operates successfully in more than 20 countries worldwide.

We pride ourselves in providing you with an unrivalled multi-level offering of value-added services and quality-backed products.

Ambulatory BP Recorder

Non-invasive cardiology equipment

Schiller BR-102 Plus Ambulatory BP Recorder

SHL430

The Schiller BR-102 Plus Ambulatory BP Recorder is a discreet, compact, long term blood pressure monitoring unit which provides the highest level of accuracy while allowing the patient to go about their daily lives undisturbed.

Using both auscultatory and oscillometric measurement, the motion-tolerant technology prevents re-inflation and failed readings.

Lightweight,
compact & discreet

Built-in pump,
making it almost
silent

Easy menu guidance
with two control buttons

SCHILLER
The Art of Diagnostics

Exclusive Irish Distributor
Partner with Schiller

Ambulatory BP Recorder

Non-invasive cardiology equipment

Schiller BR-102 Plus Ambulatory BP Recorder

SHL430

- Recording for 24 or 48 hours.
- Voice recording of patient data.
- Examination of adults and children thanks to a special algorithm.
- Oscillometric and auscultatory measurement.
- Cuff only inflates as much as needed, the unit can barely be seen, felt or heard during use.
- Free programming and storage up to 4 individual measurement programmes.
